

What can you see or hear around the building? Add your words to the empty shapes.

Did you know that the De La Warr Pavilion was opened in 1935 and was the first public building in the UK to be built in the Modernist style!

Perforation

Four horizontal lines for writing.

What's going on in the building today?

Four horizontal lines for writing.

How do you feel when you visit the De La Warr Pavilion?

A large blank white area for drawing.

FREE activities for families!  
FIRST Sunday of the month

Draw what you can see on your left

Draw what you can see above you

Did you know that the bandstand was designed by the architect Niall McLaughlin in 2001, with help from a team of local school children.

Perforation

Draw what you can see behind you

Draw what you can see on your right

Look through the viewfinder to isolate smaller areas and draw what you can see.

## Exhibitions at the De La Warr Pavilion

Sketch your favorite piece in the gallery. If you could, what would you add to the artwork? Draw it on your sketch.

What can you hear? What can you smell? Why don't you draw some of things you can see?

What does the artwork make you think of? Why?

What materials has the artist used?

What colours does the artist use? Why do you think s/he chose them?
