WEDDINGS

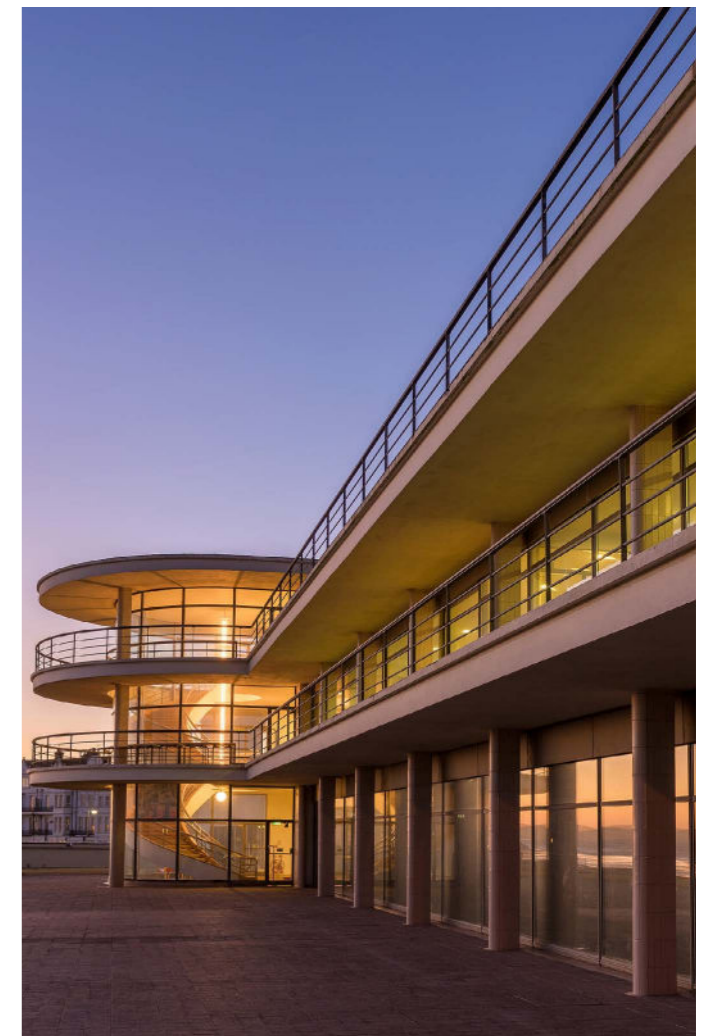

INTRODUCTION

# MODERN WEDDINGS

The De La Warr Pavilion is a 1930's grade one listed modernist building, by the sea on England's south coast.

The stunning architecture and elegant interior is home to some of the best arts and culture outside London as well as a special place for people to meet, celebrate and make memories.

The Pavilion has a dedicated Wedding Co-ordinator who will work closely with you throughout the planning process to ensure that during the day all you need to think about is celebrating.

IN THE AUDITORIUM

# CEREMONIES

Wedding ceremonies take place in the Pavilion's 1930's auditorium, with its unique dimpled ceiling and walnut veneer interior.

We can transform the auditorium into a space created especially for you — a beautifully lit and romantic room, very different from anywhere else you are likely to find.

On the day, our friendly technical team will create the perfect lighting design and layout to ensure a flawless service from the moment you walk in.

Your ceremony package will include:

- Two-hour ceremony
- One-hour rehearsal the day before the wedding
- A dedicated Wedding Co-ordinator
- A production team to create a bespoke lighting and technical design\*

£2,800.00

Ceremonies and receptions can be booked together or separately.

\*Additional technical costs may apply.

# RECEPTION

We have three reception packages for you to choose from, giving you the option to select from a formal three course meal or a modern buffet table.

All packages include the following:

## **Drinks reception**

Begin the celebrations with drinks served at the top of the Pavilion's famous spiral staircase in the roof top foyer. The modernist architecture and panoramic views provide a gorgeous backdrop for socialising and capturing wedding photographs.

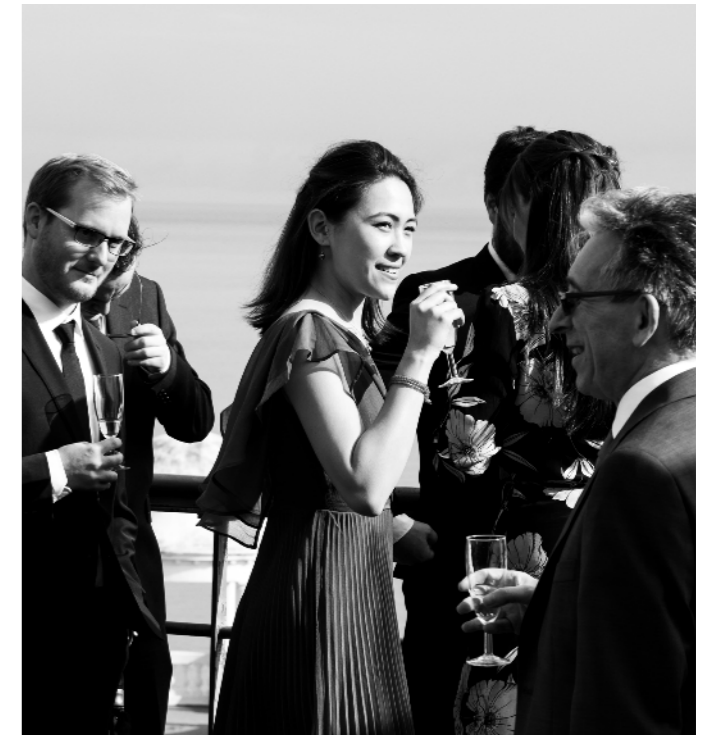

## **Wedding Breakfast**

At sunset, the Pavilion is entirely yours to enjoy a Wedding Breakfast on the first floor. Our Head Chef will prepare a feast with modern, fresh and bold flavours served by our friendly team. We can cater for up to 100 guests.

Before making your final menu choices, you'll have the opportunity to enjoy a food and drink tasting.

## **Evening party**

The stunning architecture of the building illuminates at night, giving you a spectacular setting to continue the celebration on the first floor and balcony. There is a large bar and a perfectly sized dance floor for a DJ or band. Evening guests are welcome to join the party.
